

## Business Excellence Convention 2012

**The Tata Business Excellence Convention is a highly interactive event where leaders, builders of institutions, engaged learners and motivated integrators come together to bring external**

The Tata Business Excellence Convention is a highly interactive event where leaders, builders of institutions, engaged learners and motivated integrators come together to bring external perspectives and internal opinions on a common platform. The event recognises companies that have imbibed Business Excellence in their processes and honour Assessors and Mentors who guide the company to meet this goal. It is a splendid platform for networking with experts and organisations.

Hosted at Cochin, Goa, Mumbai, Phuket, Pattaya, Hyderabad, and Bengaluru so far, Business Excellence Convention (BEC) has received overwhelming response from the delegates. Last year, the BEC was held during 7th - 8th December, at Vivanta by Taj - Yeshwantpur, Bengaluru, India.
