

## Safety Committees

### Safety Steering Committee

A Safety Steering Committee (SSC) was constituted at the apex level to ensure a consistently safe working environment across Tata companies.

The members of the committee include CEOs and select senior safety and health personnel drawn from Tata Group companies. The primary role of the SSC is to:

- Frame broad guidelines/policies with regard to safety and health
- Oversee implementation of these guidelines/policies
- Review the policies, processes and systems periodically and recommend measures for improvement
- Advise and approve Tata Group related matters brought for its consideration by the working committees and TBExG

The SSC members include:

#### Chairman

S Padmanabhan, Executive Chairman, Tata Business Excellence Group

#### Secretary

Suresh Tanwar, Chief - Group Safety & Health

#### Members

- Anil Sardana, Managing Director, Tata Power
- Sanjay Ubale, Managing Director, Tata Realty
- Jamshed Daboo, CEO, Trent Hypermarkets Limited
- Andrew Page, Director – Health & Safety, Tata Steel Group
- Tim Deakin, Head of HR - Health and Safety, Jaguar Land Rover
- M Ravindranath, Chief Safety, Engineering & Projects Officer, Tata Chemicals Limited

#### Convenor

Gautam Gondil, General Manager, TBExG

### Safety Working Committee

The directions and guidance from the SSC percolate down to a Safety Working Committee, which ensures implementation of initiatives across Group companies.

The committee comprises:

#### Chairman

Suresh Tanwar, Chief - Group Safety & Health

#### Secretary

GautamGondil, General Manager, TBExG

#### Members

- Shyam Sundar, Tata Steel

- Arvind Bodhankar, Tata Motors
- Dr Aniruddha Agnihotri, TCS
