

## Engagement Forums

### Tata Network Forums

Tata Network Forums (TNF) is a knowledge sharing platform comprising senior group-level leadership and aimed at fostering the spirit of business excellence across Tata companies worldwide. Facilitated by the Tata Business Excellence Group (TBExG), the TNF through its various chapters organises events, like meetings and company off-sites, to promote closer interaction and, higher knowledge sharing and learning within the regional Tata group companies on a continual basis.

### BE Heads Forum

The Business Excellence (BE) Heads Forum is a networking forum created by the Tata Business Excellence Group (TBExG) for business heads of Tata group companies and serves as a platform to share thoughts and best practices, brainstorm on challenges, and network with peers.
