

Assessments

TBEM Assessment

The annual Tata Business Excellence Model (TBEM) assessment is an integral part of organisational management practices in the Tata group. It has been critical in strengthening the strategic and operational capabilities of Tata companies since its inception.

Dip Checks

Assessments are designed to operate at varying levels of intensity to suit the different needs and circumstances of Tata group companies. A Dip Check assessment is conducted outside the TBEM assessment calendar at the request of companies.

TAAP Assessment

The Tata Affirmative Action Programme (TAAP) began in 2007 as the result of India Inc's resolve to partner with the Indian government to empower the country's 300 million historically disadvantaged and marginalised communities – the scheduled castes and scheduled tribes (SC/STs).

TEEP Assessment

The Tata Education Excellence Programme (TEEP) was launched in 2003 to promote education excellence in schools of Jamshedpur and a select few in the vicinity of Tata Steel's out locations.
