

## Safety Awards and Initiatives in Tata Companies for FY 2023-24

Tata group companies are constantly striving for excellence in Safety & Health by creating a safety culture and driving safety performance within their organisations. The Group Safety & Health function at Tata Business Excellence Group (TBExG) supports companies across the Tata group in their efforts.

In FY 2023-24, many Tata companies undertook new initiatives and were recognised for their efforts in Safety & Health.

### Awards

The Tata group takes pride in its commitment to safety & health, which is evident in the awards and recognitions that companies have received for their efforts in the area. The accolades received in the past year underscore Tata companies' dedication to the safety & health of employees and stakeholders, and motivates continuous improvement in safety standards and practices.
